Art Hub: A Celebration of Creativity

Sir John Wilson School hosted its **fourth consecutive Art Hub** on Saturday, 12 September 2026, at the Satarkul Campus, bringing together students, parents, teachers and talented artists for a vibrant celebration of art and creativity.

Students from Playgroup to KG2 participated in an engaging **Mixed Media Art Camp** along with their parents, creating colourful and imaginative artworks together. The Middle and Senior sections from Classes 1 to 7, explored a variety of artistic forms, including **Terracotta Art, Water-colour Painting, Creative Jewellery Making and Artistic Candle Making**.

The day-long event was led by our dedicated teachers and visiting artists, Annana Dey and Ariful Islam. The activities provided our students with opportunities to explore their imagination, express themselves creatively and build confidence. Art Hub also aimed to nurture creativity, self-expression and critical-thinking skills in a joyful and inspiring environment. The students' work was later displayed and appreciated by all!

A heartfelt thank you and appreciation to all the parents for their enthusiastic participation and encouragement. Your support helped make the event even more meaningful and enjoyable, and a special thanks to our students, without whom this event would not have been possible!

We also appreciate the teachers, artists, coordinators and staff members who worked to make the fourth Art Hub a wonderful success. Your dedication, creativity and teamwork created a memorable experience for our students and parents!

We look forward to another year of even more creativity, imagination and inspiration at Art Hub!
